

Waves Pizza Paradise!

Our delicious pizzas are individually cooked to order during lunch and evening service with the exception of Sundays.

Following traditional southern Italian recipes, our pizzas are built on light and crispy home-made bases with fresh ingredients and authentic cheeses. They are baked in an imported brick-lined gas oven giving that slightly smoky 'country' taste that distinguishes the real thing!

Here are Enzo's 'magnificent 7' but please feel free to build your own from our choice of delicious toppings!
